

Q021

1) Come avviene il sistema di conservazione dei documenti informatici e da chi è gestito?

2) Il Comune di Trieste vuole digitalizzare alcuni servizi al cittadino realizzando un portale di accesso on line per i Servizi Demografici.

Come esperto per la transizione al digitale che affiancherà l'ufficio competente inquadrerà al dirigente ed al suo staff il percorso da compiere.

3) Read and translate the following text:

When an electronic identification using an electronic identification means and authentication is required under national law or by administrative practice to access a service provided by a public sector body online in one Member State, the electronic identification means issued in another Member State shall be recognised in the first Member State for the purposes of cross-border authentication for that service online, provided that the following conditions are met:

(a) the electronic identification means is issued under an electronic identification scheme that is included in the list published by the Commission pursuant to Article 9;

(b) the relevant public sector body uses the assurance level substantial or high in relation to accessing that service online.
